PRODUCTS AND PRICING MANUAL

SMART SOLUTIONS FOR A CONNECTED WORLD

We are committed to revolutionizing the way the world connects. As a leading provider of switches and accessories, we deliver a wide range of smart solutions designed to enhance connectivity and efficiency in every aspect of life. Our products are crafted with precision and innovation, ensuring superior performance and reliability.

INNOVATION IN EVERY DETAIL

**SMART
TECHNOLOGY
CREATES THE
BEAUTY!**

Nextor has a strong market presence in India, with a significant share in the electrical industry. The company's products are widely recognized for their quality, reliability, and performance, which has helped it to establish a loyal customer base across various segment.

By more than 5 years in this field, we at **Nextor** through these decades, have refined superior quality products & have been relentlessly working towards offering unique solution to consumers for fulfilling their demands.

At Nextor, we are constantly committed to innovation & technology, which is reflected in our product offerings and manufacturing process. Our company invests heavily on research and development to ensure that our products are up-to-date with well equipped advanced manufacturing techniques and also In house facilities for testing & quality control of all products. we also offer customized solutions to meet the unique requirements of our customers through our engineering service division.

Our range includes switches, sockets, fan regulators & dimmers, hospitality products, communication sockets, cover plate in many colors, materials & finish & also products such as Mcb's, Switch gears, Led's etc. aesthetically appealing products that maintain high levels of engineering excellence over the years...

**Whatt's next?
Limitless Possibilities"**

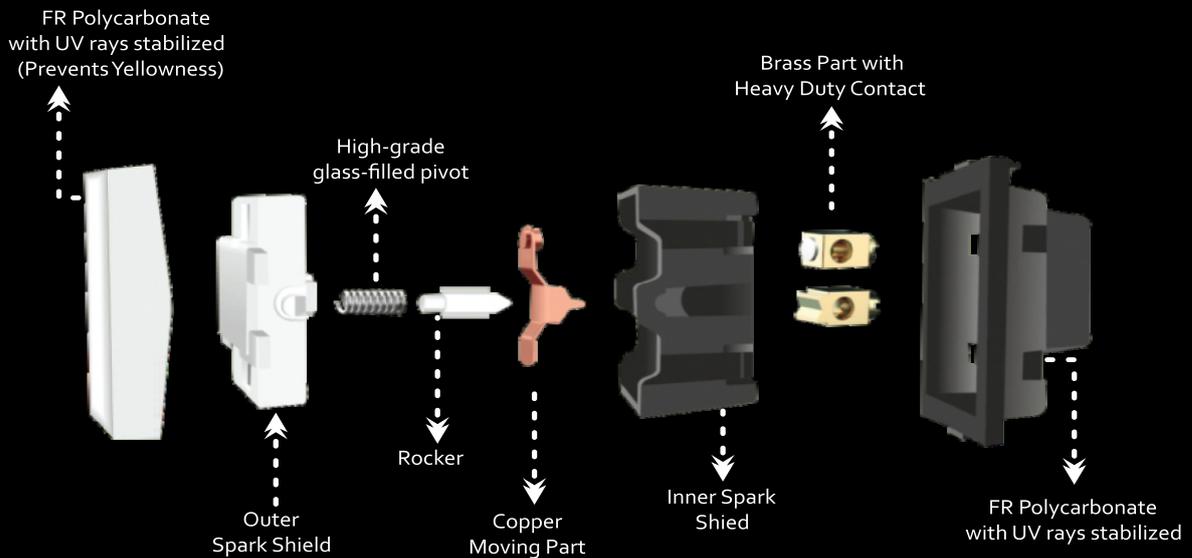

VINTAGE
BY NEXTOR

A STEP **TOWARDS**
PERFECTION

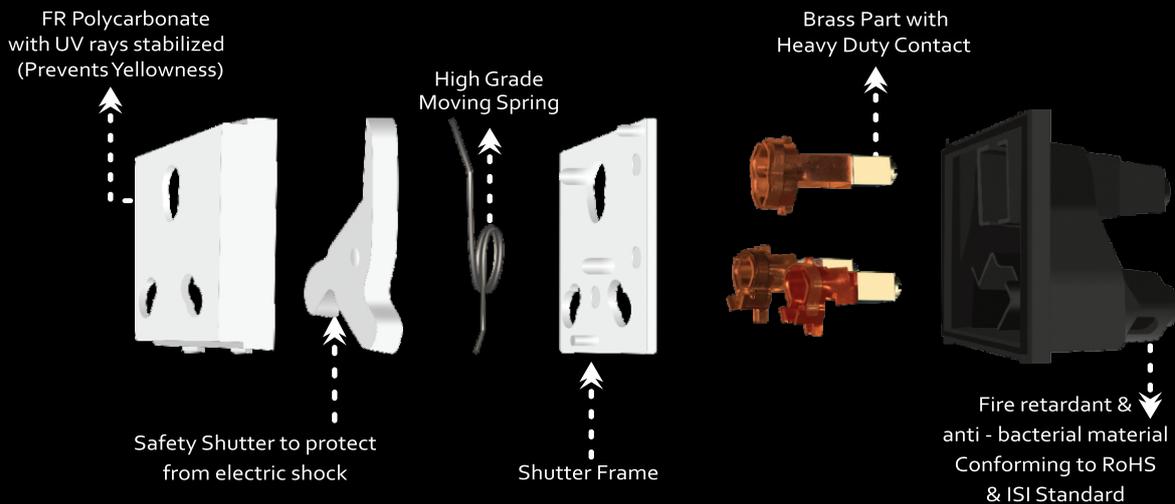

Transform your environment with our innovative & true eye - Catcher range of plates, which are versatile & **Sophisticated** which adds a touch of **elegance** & compliment your interior even more.

Redefining Luxury

- Highly reliable, durable & long lasting products
- Confirms to International Standard IEC - 60669 - 1.
- Switches tested upto 1,00,000 Cycles.
- Contact of switches have very high current carrying capacity
- Hassle free installation

- Highly reliable, durable & long lasting products
- Confirms to International Standard IEC - 60906 - 1.
- Safety shutter sockets are in place to avoid accidental contacts & Protects from electric shock.
- Hassle free installation

Spark shield in switches

FR Polycarbonate with UV rays Stabilized (Prevents Yellowness)

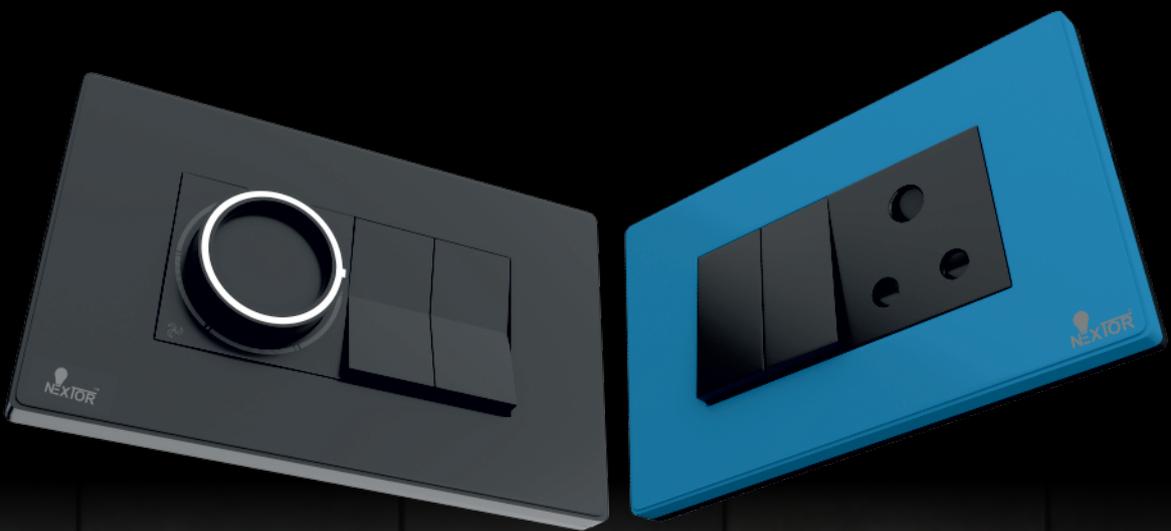

IS-3854/1293 Standards

Special steel springs for consistent pressure

every space!

Nextor brings versatile lighting solutions that enhance every environment. From cozy homes with consumer lighting to vibrant decorative fixtures for hospitality, and efficient commercial lighting for workspaces, we provide the perfect blend of style and function for every setting.
